MEMORANDUM FOR: 2021 Joint Munitions World Wide Review Invitees

FROM: AFLCMC/EBWIF
235 Byron St, Suite 19A
Robins AFB, GA 31098-1670

SUBJECT: Cancellation of 2021 Joint Munitions World Wide Review (JMWWR)

1. The Tactical Missile Technical Coordination Group (TMTCG) and the Precision Guided Munitions Technical Coordination Group (PGMTCG) regret to announce that the sixteenth annual JMWWR scheduled to be held 04-08 October, 2021, at the Caribe Royale Hotel Resort (Orlando, Florida) is hereby cancelled.
2. After careful consideration and out of an abundance of caution, due to the ongoing COVID-19 pandemic, the TMTCG and PGMTCG have decided that it would not be practical to proceed with the JMWWR this year. The current plan is to schedule the 2022 JMWWR in September, 2022 at the same location (Caribe Royale Hotel Resort in Orlando, Florida).
3. The TMTCG and PGMTCG are currently working with the Caribe Royal to ensure that no charges are incurred by any invitees who may have already reserved rooms for the cancelled event. For anyone that already has a confirmed reservation with the hotel, we recommend that you contact the hotel directly to ensure that your reservations are cancelled. You may cancel your hotel room by calling the Caribe Royale Hotel Resort directly at 1-888-258-7501.
4. The TMTCG and PGMTCG will send out new invitations for the 2022 JMWWR as soon as all administrative requirements have been finalized. Again, we regret that we have to cancel the 2021 JMWWR and hope that by September, 2022, the situation will have improved to the point of allowing us to safely meet with all of our country members and exhibiting contractors again.
5. Our point of contact for the JMWWR is:
